You will be able to see first-hand the pervasive nature of the moisture problem and the breakdown of the wall system. Members of the Restoration Committee will be available to provide an explanation of what is seen and answer any questions. Please be advised that Paul Davis has removed the interior mold, but there is some residual growth on the exposed wall materials. NOTES

1) Thursday night Ladies Bible Study - *Ladies, do you ever wrestle with a nagging sense of disappointment...that life isn't what you thought it would be...that you aren't who you wanted to be...that faith seems more complicated than it should be? Do you find yourself longing for...something better? For our Thursday Night Spring Ladies Bible Study, we will journey together through the book of Hebrews, there is something better. There is something better than superficial spirituality, better than meaningless ritual, better than a life bound by shame & regret, and that something better is within our grasp. We will be starting up again on Thursday, Feb. 9th at Samantha Clark's home in Kipton and we will be using the book, "Hoping for Something Better" by Nancy Guthrie to guide us in a meaningful study of the book of Hebrews. If you would like to participate in the Thursday study, please sign up at the back table or contact Dawn Pufnock (dawn@jehm.com). The cost of the book is \$10.*
